About us

The National Institute Of Secretariat Training & Development (NISTD), serves as an autonomous body supporting various sectors of the Indian industry. Our core mission is to enhance the skills and knowledge of government officers from Central, State, and subsidiary services. By doing so, we contribute to the effectiveness and efficiency of administrative services within central and state governments.

We offer specialised programs empowering executives in government and the corporate sector with global insights. Through collaborations with international partners, our Capacity Building program spans leadership, managerial skills, and smart city development, equipping participants to address global challenges and drive urban sustainability.
